In re Application of: : **OFFICE OF PETITIONS**
Marc Eric Vandament :
Application No. 10/808,714 : DECISION ON
Filed: March 23, 2004 : PETITION
Title of Invention: :
MOTORCYCLE TIE DOWN SYSTEM :

This is a decision on the petition for revival of an application abandoned unintentionally under 37 CFR 1.137(b), filed October 14, 2005, to revive the above-identified application.

This Petition is hereby **granted**.

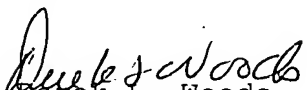

The above-identified application became abandoned for failure to reply in a timely manner to the nonfinal Office action, mailed March 2, 2005. The Notice set a shortened statutory period for reply of three (3) months from the mail date of the Notice, and also provided for extensions of time under 37 CFR 1.136(a). No reply having been received, the application became abandoned June 3, 2005. A Notice of Abandonment was mailed October 21, 2005.

With the instant petition, Applicant has filed an Amendment in response to the nonfinal Office action.

Having found that all of the requirements for a grantable petition under 37 CFR 1.137(b) have been met, **this petition is hereby granted.**

This application is being returned to Technology Center 3612 for processing of the Amendment, filed February 4, 2005, in due course.

Telephone inquiries related to this decision may be directed to the undersigned at (571) 272-3232.
